Which parts of the Safety of Minors Policy apply to my program or activity?

Will the activity involve at least one minor (under age 18) who is unaccompanied by their parent or guardian?

- NO
  - Does not meet ‘youth program’ definition
    - Note: Obligations to report suspected child abuse and avoid one-on-one interactions still apply

- YES
  - Will any of the following be engaged in any official capacity?
    - OSU employees
    - OSU students
    - OSU volunteers
    - OSU property
    - OSU name/branding
    - other OSU resources

- YES: Must register activity!
  - Questions to consider:
    - Are any fees paid to OSU for this activity?
    - Is the university accepting or processing registration on behalf of the child?
    - Will any recruitment or promotional materials list OSU’s name or logo?
    - Will a university representative or unit give approval for the use of OSU property, resources or brand for the activity?

- NO
  - Will any OSU employee or volunteer have direct access to minors at any time?

- YES
  - Questions to consider:
    - Is working with youth mentioned in the position description or contract language?
    - At any point, will an employee/volunteer be responsible for supervision of minors?
    - Does the program include overnight activities with minors?
    - Is there potential for any interaction with minors in a private or unsupervised setting?

- NO
  - Required components:
    - Online program registration
    - Contract required (third-party groups only)
